AROMATIC
FAMILY

Sweet Fruit

FLAVORE
WITHOUT
SUGAR

A medium acidity typical of ripe fruit and the aromatic sensations of flowers and coffee pulp make us define the cup as particularly sweet. The body is velvety and soft.

FLAVORE
WITH
SUGAR

Sugar shifts the aromatic sensations towards apricot jam and cherry syrup. On the finish a note of dragees, fruit covered in chocolate.

FLAVORS

RIPE FRUIT PULP, COFFEE
FLOWERS, CARAMEL,
CHOCOLATE.
